In the Acknowledgments of the original article, there was a missing funding source, state assignment of Minobrnauki of Russia (theme “Flux”, No AAAA-A18-118020190112-8). Thus, the revised Acknowledgments should read as follows:

The research was financially supported by 211 Program of the Government of the Russian Federation (No. 02.A03.21.0006) and the state assignment of Minobrnauki

of Russia (theme “Flux”, No AAAA-A18-118020190112-8), was carried out within the state assignment of Ministry of Science and Higher Education of the Russian Federation (theme No. H687.42B.223/20) and supported by RFBR (projects No. 20-48-660041).

The authors would like to apologize for any inconvenience this may have caused to the readers of the paper.
